Please note

- Historically Lancashire/Cumbria death nominations have always been filled in in the Dependants section, if you wish you can add your spouse details up the top in the Spouse Beneficiary section, please remove them from the dependant beneficiaries' section once you have done this.
- The date of birth of existing nominees may not have been recorded and this will be highlighted in red. If you change a nomination you will be prompted to complete the details in full for all nominees.
- If you wish to nominate a charity etc. you will need to add a dummy date of birth such as 01/01/1901 as the date of birth is a mandatory field.
- If you wish to remove a nomination completely, please select the

button next to each nomination and this will

remove the nomination.
